
Fundraising Opportunity

- **No door-to-door**
- **Promotes healthy food choices**
- **No risk**

Bleuets NB Blueberries (BNBB) is making available a fundraising opportunity for all interested groups in New Brunswick. It involves saving the packaging on a selected blueberry product. BNBB is pleased to work with our members to make this offer available, and allow groups to raise money and support healthy food choices at the same time!

Between now and March 15, 2012 have members and supporters of your organization save and rinse their bags from the purchase of the 1.5 kg bag of **Oxford Frozen Wild Blueberries** available for sale at Sobey's, Foodland and Price Chopper.

Then in November 2011 and March 2012, return the clean bags to the BNBB office at the H.J. Flemming Forestry Centre, 1350 Regent Street, Fredericton E3C 2G6. Once received by BNBB your organization will be forwarded a cheque based on the number of bags collected. Please make sure bags are bundled securely and clearly labelled with the name of the group, address, phone and name of contact person.

Each clean bag has a redemption value of \$1.

Please phone BNBB at (506) 459-2583, or email at bnbb@nb.aibn.com, to register your group prior to your participation in this fundraising initiative, or for more information.
